

## Quality Policy Statement

Tumelo Fleet Solutions, **the supplier of fleet solution products and services**, is committed to consistently providing such products and services that meet or exceed customer expectations, comply with applicable statutory and regulatory requirements, and continually improve the effectiveness of our Quality Management System (QMS).

To achieve this, **Top management of Tumelo Fleet Solutions are committed to:**

- i. Promote a culture of quality, responsibility, and accountability at all levels of the organization.
- ii. Establish, review, and achieve measurable quality objectives aligned with our strategic direction.
- iii. Engage and develop our people to enhance their skills, competence, and awareness.
- iv. Comply with Statutory legislation, Provincial and Municipal regulations and By-laws.
- v. Monitor and improve our processes through risk-based thinking through business hazard identification, assessing related risks, determining and implementing controls to mitigate the risks.
- vi. Foster mutually beneficial relationships with customers, suppliers, and stakeholders.
- vii. Continual improvement of the quality management system.
- viii. That this policy is communicated, understood, and applied within Tumelo Fleet Solutions and is available to relevant interested parties, as appropriate, on request.

Tumelo Fleet Solutions pursue excellence by:

- Aiming to be a zero accident and incident operation.
